

## BROWSHOLME HALL

### **HELP US TO BE GREENER**

As a flagship Historic House, Browsholme Hall endeavours to minimise our negative environmental impact. Please help us in this goal with these guidelines:

1. Give the Car a Rest – Leave the car behind, if only for a day. Walk, cycle or use public transport. Details are available from the Visitor Centre, on our website, or in the guide to properties.
2. Respect Nature – Help us to look after the landscape and wildlife by not littering, guarding against fire and using the footpaths responsibly. Please don't leave bags of dog waste behind.
3. Shop Local – Use local products and services. They give you a flavour of the area and help support local communities. We are fortunate to have some fantastic producers of food, drink, and arts and crafts in our region. Ask our staff in the Tithe Barn about the local products.
4. Reduce, Reuse, Recycle – Try to avoid overly packaged goods and say no to that extra carrier bag. Try and recycle any waste you have. Ask about the recycling facilities available here.
5. Know the Code – You have a right to access a lot of land in England as long as you take responsibility for your actions. Respect the Countryside Code.
6. Be Water Wise – Turn off the tap after washing your hands and please report any leaking taps or toilets to our staff.
7. Support Green Tourism – Browsholme Hall has been awarded Gold certificate for green tourism. Look for a Green Tourism business when booking accommodation or visiting sites. See [www.green-business.co.uk](http://www.green-business.co.uk) for more information.
