Pizzas at the Tithe Barn

For your evening food, how about choosing pizzas from our wood-fired pizza oven?

All of our artisan pizzas are cooked from scratch using fresh ingredients before your very eyes, with each pizza taking just over a minute from the rolling pin to your plate.

Guests are encouraged to take a slice at a time rather than a whole pizza. This way they can return whenever they get peckish.

Please speak to us for advice on how many pizzas you will require.
