Pizzas

- Pizzas in the Courtyard -

For your evening food, how about choosing pizzas from our wood-fired pizza oven?

All of our artisan pizzas are cooked from scratch using fresh ingredients before your very eyes, with each pizza taking just over a minute from the rolling pin to your plate.

Guests are encouraged to take a slice at a time rather than a whole pizza. This way they can return whenever they get peckish.

Pepperoni • Margherita • Ham & Pineapple • Brie, Courgette and Red Onion
Sicilian (spicy Chicken) • Tuna and Sweetcorn
